

# ADVANCE!

## to VITODENS

### You're Invited!

Join us for a first-hand look at our new Vitodens 100 and 200 wall-mount condensing boilers.

New industry-leading technology and added product features make this condensing gas boiler your new go-to solution for all jobs and budgets.

- Industry-leading combustion management
- Powerful new controls and functionality
- Fuel flexibility
- Increased vent lengths
- Expanded capacity
- Fits any project size and budget

Our trainer will be Jody Samuel. Jody is an engineer who has for the last several years worked with Viessmann and related products. We will be discussing the improvements as well as the differences between the old and the new Vitodens boilers. Lunch will be provided. Please RSVP to below.
