

Domestic hot water tanks
of corrosion-resistant stainless steel
42 to 120 USG / 160 to 450 ltr

VIESSMANN[®]

VITOCELL 300[®]

Hot water comfort for life

VITOCCELL 300

Experience Viessmann hot water technology! Comfort, convenience and reliability in one package. Available in vertical and horizontal designs, from 42 to 120 USG / 160 to 450 liters. See how you can improve your domestic hot water comfort today.

Viessmann Manufacturing Company Inc.

The benefits at a glance:

- **No worries – Lifetime warranty** for all Vitocell 300 DHW tanks.
- **Convenience** – Fast recovery rates ensure **abundant supply of domestic hot water** all day long.
- **Comfort** – Tank coil extends to tank bottom guaranteeing **even water temperatures at all times**.
- **High level of operational reliability** and a **long service life** due to high-alloy stainless steel construction.
- **Extremely efficient indirect hot water production** by boiler. **Save up to 50% of your operating cost** compared to conventional direct-fired hot water production.
- High-performance insulation keeps **standby losses and operating cost at a minimum**.
- **Space-saving options:** Mount a boiler or another H-300 tank onto the horizontal Vitocell-H 300 version. **Zero clearance to combustibles** for all Vitocell 300 tanks.
- **Scale- and corrosion-resistant**, ideal for areas with poor water quality. **Completely hygienic!**
- **High-volume hot water**
Several Vitocell 300 tanks can be combined into tank batteries.
- **Vitocell-B 300 solar tank**
Dual-coil hot water production via solar collector and boiler.
- Approved by the State of Massachusetts as **ASME Equivalent**.

Vitocell-H 300
Compact and "stackable"

Vitocell-V 300
Convenient, durable, hygienic

Turn your boiler room into a rec room!
Vitola 200 boiler on a Vitocell-H 300 tank
